TRUSTED DIALOG: THE QUALITY STANDARD FOR SECURE AND TRUSTING DIGITAL DIALOG

With its high coverage of about 40 million actively used e-mail accounts trustedDialog ensures higher trust within digital mailboxes.

E-mails certified by trustedDialog are uniquely labelled and stand out clearly compared to other conventional e-mails.

All commercial e-mails sent to mailboxes from WEB.DE, GMX, 1&1, Freenet and T-Online go through a multi-stage authentication and integrity check.
